

10 Uses for Glow Sticks for Kids

1 Birthday

Glowsticks are a fantastic and inexpensive party favour or gift that can be popped into party bags for kids to take as a memento of the party.

2 Fancy Dress

Add a little glow to fancy dress costumes with glow bracelets and glow necklaces.

3 Night Light

Ideal for sleepovers where slightly older children may not want to admit to being a little worried about the dark, glowsticks make the perfect distraction.

4 Group safety

Perfect for school trips and nursery outings, give children a glow necklace or glow bracelets in the same colour so that they can be easily identified as part of your group.

5 High visibility

Encourage your child to wear glowsticks, glow necklaces, or bracelets on their person in low light.

6 Night sports

Mark our goal mouths, golf holes and players to play your favourite sports into the night.

7 Camping

The perfect camping accessory, use glowsticks to decorate your tent so that you can spot it from afar.

8 Guide Light

Whether home or away, kids like the reassurance of light should they wake and need the loo in the night.

9 Hide and Seek

An even more fun take on a classic game, play hide and seek at night!

10 Just for Fun

There are many more fun uses for glowsticks, why not try diving for glowsticks in the pool at night on holiday?
