

Fundraising with Glow Novelties

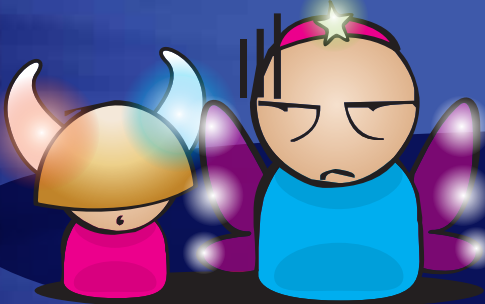

Choose an event theme...

Christmas, Panto, Halloween and Valentines' Day are all great ways to theme your event. Match your novelties to your event.

Consider media trends...

New trends will increase your appeal and so sales. Consider the latest bands, TV shows and film releases for maximum returns.

Consider age + gender...

Little boys don't always make good fairy princesses, but do love a good saber sword! Some novelties may not be suitable for very young children.

Variety, but not too much!

Too much choice leads to indecision. A limited range speeds up the buying decision, driving more sales and profit!

Don't worry about failures...

All glowsticks.co.uk novelties are 100% guaranteed. Any failures will be refunded or replaced to avoid disappointment on your night.
